They can make a request from anywhere in the world with six clicks, regardless of the request. Southwest Concierge will handle whatever clients can conceive: find a babysitter, send lunch to a business meeting, schedule transportation, and arrange for home improvements or everyday errands. Clients will receive a call or e-mail from their personal concierge within five minutes, with most requests handled in 15 minutes. Plans start at \$9.99 a month plus the cost of the requested product or service. There are no additional fees or markups.

Southwest Concierge ensures that its preferred vendors and personal assistants have undergone a complete background check and evaluation and that they stand behind their products and services, so in addition to saving clients time, they also provide them with peace of mind. This new smartphone-based service expands its reach to clients of all ages and incomes, across the country.

"Our business focuses on saving time," says O'Connell. "With this technology and inexpensive pricing, average people can get assistance with everyday home and business tasks, reducing their stress and making their lives easier."
